We therefore kindly ask you to observe the following hygiene rules:

Wherever possible, keep a minimum distance of 1.5 metres (5 ft) from others.

Wash your hands regularly

Wash your hands with soap and water for at least 20 seconds.

Keep your hands away from your face

Avoid touching your mouth, eyes or nose with your hands.

Disinfect your hands

Use the disinfectants provided.

Avoid physical contact

Refrain from shaking hands or hugging.

Wear a mask to cover your mouth and nose when required

Practice good personal hygiene when coughing or sneezing

Sneeze or cough into the crook of your arm or into a tissue.

Stay at home if you feel sick

If you have either had contact with a Covid-19 positive person within the last 14 days, or if you show signs of a respiratory infection or if you have travelled to a risk area outside of Germany within the last 14 days, stay at home. If you experience symptoms during the event, please leave the event immediately. Seek medical advice by telephone, if necessary.
